SUPPLEMENT TO REPORT NO.

25X1X

**REFERENCE COPY**

NOT CIRCULATE

1. Location

The Volta Plant is located on the northwest edge of TALLINN (24°45'E/59°25'N), Estonian SSR, some hundred feet from the harbor and immediately north of the Franz Bruell Machine Factory.

2. Plant Installations

The plant is an old installation and provided with a spur track. For details see Annex.

3. Work Force

No details available.

4. Production

Three or four different types of electro-motors.

25X1A [REDACTED] Comment:

a. Compared with a town plan of TALLINN the plant location of attached sketch is correct.

b. The plant layout generally confirms previous information\*. Some differences, as well as the size and type of construction of the plant buildings, need confirmation.
